Skills

Java, HTML, CSS, SQL, Object Oriented Programming, Git & GitHub, Linux.

Education

HKBK College of Engineering, Visvesvaraya Technological University, Bangalore, India
Bachelor of Engineering (B.E) in Computer Science and Engineering | **CGPA: 6.6** 2018 - 2023

Maganuru Basappa PU College, Davanagere, India
PUC (Class XII) | **Aggregate: 68%** 2017 - 2018

Jana Barathi Vidya Mandira, Chitradurga, India
SSLC (Class X) | **Aggregate: 65%** 2015 - 2016

Projects

CookIt – Smart Recipe Web Application | [Deployed Version](#) | Nov'24

CookIt is a full-stack web application that allows users to register, share, browse, and rate food recipes. It features user authentication, a dynamic recipe feed, and a modern UI designed with HTML, CSS, and JavaScript, backed by a Spring Boot backend and a secure database.

- Developed user registration, login, and session management using Spring Boot and Spring Security.
- Implemented CRUD operations for recipes, along with image upload and data persistence using PostgreSQL.

Restaurant Management System | Feb'20

A software solution optimizing order management, reservations, inventory, and employee scheduling for improved operational efficiency and enhanced customer service with real-time insights.

- Created an intuitive and responsive web interface using HTML and CSS for seamless user interaction.
 - Integrated MySQL and MongoDB databases to efficiently store and manage restaurant data, including orders, reservations, inventory, and employee schedules.
 - Implemented database queries and optimized data retrieval for improved system performance.
-

Academic and Extracurricular Achievements

- Volunteered as a Mentor for Underprivileged Children in a Local NGO, 2019-2022.
 - Organized and managed technical workshops on Python programming for college juniors in 2023.
-

Interests

Software Development Lifecycle (SDLC): Keen on understanding and implementing best practices in software design, testing, and deployment.

Courses and Certifications

Full-Stack Web Development by Edunet Foundation
